ECONOMIC EMERGENCY
FOR THE 99%

COME EARLY FOR MUSIC AND FESTIVITIES

On Nov. 17, we will declare an economic emergency for the 99%:

- 25 million Americans need work—but Congress won't pass a jobs bill
- 45,000 Wisconsinites are out of work since Gov. Walker took office
- The economy works only for the richest 1% -- who get richer every day

Decaying bridges across the country symbolize the failure to put millions of people back to work immediately doing work that needs to be done. Politicians aren't just ignoring the 99%. They're making life much worse for us.

On Nov. 17, we say enough is enough. We're in a state of emergency and we can't wait any longer.
