

Motion adopted by NALC Branch 214, January 4, 2012

Create a “Save Our Public Post Office” Committee

1. That Branch 214 create a “Save Our Public Post Office” Committee to mobilize our members and customers and communities, and other unions, including postal unions, to build a strong local movement to save the public Postal Service.
2. That Branch 214 spread this idea to other branches and the NALC nationally with the goal of creating a national network of “Save Our Public Post Office” committees.
3. That as a first act of this committee, Branch 214 members will carry the branch banner in the Martin Luther King Day march on January 16, 2012 in San Francisco, and pass out “Save Our Public Post Office” flyers.

Motion adopted at the regular membership meeting of Golden Gate Branch 214 of the National Association of Letter Carriers, meeting in San Francisco, California on January 4, 2012.
