We have to make our voices heard in order to hold our Governor accountable. Occupy Milwaukee, community allies and labor unions will march on June 6th to make the following demands of our Governor:

1. Repeal Act 10

Hands off unions and collective bargaining. No cuts to education or Badger Care.

2. Restore the Equal Pay Act

We demand an end to workplace discrimination.

Hold the banksters and the 1% accountable for their economic crisis, and stop the cuts to working and oppressed people.
