[program will begin promptly at 6:30]

**Milwaukee Muslim Women's Coalition**  
**5235 S 27<sup>th</sup> St, Greenfield, Wisconsin**

Join us as we move towards the solstice and shortest days of the year to create light in these difficult times. We will light candles and join together in solidarity, against Islamophobia, racism, anti-Semitism, settler colonialism, and hate, and for love and justice. There will be words by **Rabbi Michael Davis** and others, as well as food and joy. All welcome.

- *We honor indigenous sovereignty on these lands.*
- *We refuse to be silent about anti-Muslim, anti-Arab, anti-Semitic, sexist and racist hate speech and hate crimes.*
- *We condemn U.S. and Israeli state surveillance of Muslim, Arab & Palestinian, and migrant communities.*
- *We join in solidarity with refugees and migrants; we honor the rights of all people to move.*
- *We support the Palestinian Great March of Return.*
- *We call for an end to racist policing [#SayHerName](#) [#BlackLivesMatter](#).*
- *We stand together with the LGBTQ community against violence.*
- *We protest the use of anti-Semitic hate crimes and anti-Arab racism to justify Israel's repressive policies against Palestinians.*

Please join us on Dec. 11th---together, our calls for justice will reverberate across the country.
